

BC1575-A SPEAKERS

Description:- BC1575-A is a professional 15-inch PA speaker driver from Penza, designed for clear midbass and low-frequency performance in sound reinforcement systems. Descriptions like “full bass” indicate it's meant for reproducing low to mid bass frequencies.

Key Specification:-

- Descriptions like “full bass” indicate it's meant for reproducing low to mid bass.
- With a 15-inch driver and a “450 W” rating, it probably has decent capability for bass and lower midrange.
- A 15-inch woofer gives better lower-mid bass response, more air movement, and generally “heftier” sound.
