

## F-02 STAND

**Description-:** The F-02 Microphone Stand is a premium, professional-grade stand designed for musicians, speakers, and sound engineers who demand stability, durability, and versatility. Built with a strong focus on functionality and performance, the F-02 ensures reliable microphone support in both live and studio environments.

### Key Specification-:

- The F-02 offers a flexible height adjustment range from approximately 90 cm to 160 cm, allowing comfortable positioning for seated or standing performances.
- Built from high-quality steel or aluminum alloy, the stand ensures long-lasting durability and can easily handle heavy microphones without bending.
- Equipped with a foldable tripod base, the F-02 provides excellent balance and grip on various surfaces, making it ideal for stage, studio, or outdoor use.
