

## PZ-770 AMPLIFIER

**Description:-** This model is a modestly powered PA mixer amplifier, suitable for environments like small event spaces, classrooms, or retail settings. Its multiple mic inputs, tone control flexibility, built-in MP3 playback, and support for both low-impedance and line-level.

### Key Specification:-

- Speaker/Driver selector disables bass boost when using driver units for safe operation.
- Works on AC mains and 12V DC battery—useful for outdoor or backup use.
- 4 Mic & 1 aux inputs with built-in digital player & bluetooth connectivity.
- Instant transfer to DC power if AC power fails.
