

TS 15-400 SPEAKERS

Description:- The TS 15-400 is a professional 15-inch PA speaker driver from Penza, designed for clear midbass and low-frequency performance in sound reinforcement systems. A 15-inch woofer is good for bass and low-mid frequencies.

Key Specification:-

- The 3-inch voice coil and ferrite magnet are standard options for durability.
- A 15-inch woofer is good for bass and low-mid frequencies; however, the lower frequency limit is around 50 Hz.
- With 400 W RMS and up to 800 W peak, this speaker has decent headroom. For steady-use (like concerts, events).
